CASE LAW

This case law section provides references to an expert who has been cited or mentioned in case opinions (reported and unreported), briefs (where available), jury verdicts, dockets, and expert challenges for both state and federal courts. It is again noted that not every jurisdiction and every court makes their case law available, and this profile is limited as such.

The following search strings were run to ensure that all available cases and briefs are captured.

1. ((John w/2 Doe) w/100 Expert and (Professor or Psycholog! Or "Marketing" or "Damages Expert" or Econom! or "Product Management" or Analys! or Licensing)

The following legal databases were looked at during the preparation of this report:

1. Federal and State Cases Combined, Jury Verdicts and Settlements, Federal Agency Decisions, State Agency Decisions
2. Court Documents – Trial Filings, Appellate Briefs, Trial Orders, Dockets
3. PACER was searched to retrieve original documents, if available.
4. Google Scholar – Legal Opinion Search

Availability of Supporting Documents

In the course of research, many relevant documents such as opinions, briefs, pleadings, deposition transcripts, motions to exclude, rulings, expert reports, expert CVs etc. are retrieved from various sources. These documents are divided into three categories:

1. Available for Download for no additional cost (These are mainly opinions for which no cost is incurred on the part of EWP.)
2. Available for Instant Delivery (These are documents which can be delivered within one business day after payment.) To know the cost of these documents and to order, click on **(Request Document)** next to the document to send an email with the relevant document title and the Case Caption.
3. These are documents which cannot be procured electronically and can be obtained only from the court. These documents do not have **(Request Document)** mentioned against them. To know how these documents can be procured, please send a mail to **info@expertwitnessprofiler.com** with the relevant document title and the Case Caption.

DIRECT CHALLENGES

This section includes reported, and numerous unreported cases from both state and federal jurisdictions where a “gatekeeping authority” has been cited or mentioned in a decision and the testifying expert’s methodology or qualifications have been challenged. Gatekeeping authority is defined as a seminal decision or rule of evidence that defines or interprets the standards for admissibility or expert witness testimony for the corresponding jurisdiction. This section includes results from over 165 gatekeeping authorities, including but not limited to *Daubert v. Merrell Dow, Frye v. United States*, and their progeny. Sources for unreported decisions include docket sheets, litigation reports, jury verdicts, and other online resources. Although care has been followed to gather this information, not all cases involving expert challenges are reported.

Testimony admitted in part and excluded in part.

Summary of Involvement: Doe was retained by the Plaintiff to provide expert analysis and testimony on surveys conducted regarding the public perception of Plaintiff's products and/or the likelihood that consumers will confuse Defendant's goods with Plaintiff's goods in the instant case. Defendant filed a motion in limine to exclude his testimony. The Court concluded that the Plaintiff had failed to establish that his testimony regarding lost sales satisfied the FRE- Rule 702 standard and failed to demonstrate that his testimony was "based on sufficient facts or data" or that it was "the product of reliable principles and methods" that had been applied "reliably" to the facts of this case. The Court concluded that the challenged portion of his proposed testimony was too speculative to merit admission and accordingly granted Defendant's motion to preclude Plaintiff from presenting his testimony that Plaintiff lost one customer transaction for each Langdon Leather product sold by Defendant. However, the Court declined to exclude his testimony in its entirety.
